Dear AACN Member,

AACN is pleased to announce that we have renewed our exclusive partnership with CertifiedBackground.com. CertifiedBackground.com is the leading provider of student background checks and drug testing services nationwide and is successfully serving the needs of over one third of AACN member schools.

The Joint Commission guidelines have resulted in many field work sites opting to require background checks for nursing students in clinical settings. With CertifiedBackground.com, AACN members find compliance simple and hassle-free.

CertifiedBackground.com is student funded and allows students to order and pay for their own background checks online. Should a school or other organization decide to pay for student background checks, the flexible plan can be adjusted easily.

The exclusive CertifiedBackground.com Student Badge now allows students to reuse their background checks time and time again at no additional cost.

Through this exclusive partnership, AACN has renegotiated a significant discount for members that they may pass along to their students. As a member of AACN, your students will receive a minimum discount of 10% off all CertifiedBackground.com services. Discount pricing is also available to schools for faculty and staff screening. Through this renewed agreement, CertifiedBackground.com will continue to contribute to AACN a percentage of revenue received from member institutions who utilize their services. These contributions will be used to support AACN's advocacy and outreach work.

Sincerely,

Robert Rosseter
Associate Executive Director
AACN

CertifiedBackground.com

Dear AACN Member,

CertifiedBackground.com has worked diligently to provide AACN members with an easy and cost effective way to perform background checks. We are proud that our work has paid off and that our partnership with the AACN has been renewed.

Our background check process is secure and user friendly. It only takes minutes to set up an account and the ordering process is quick and easy. Results are made available within days and can be viewed securely online. Viewing results is faster and easier with many of our new features like Record Scan.

Since background checks frequently are required of all students working in a clinical environment, we are here to help your students get certified as soon as possible. With our exclusive Student Badge students may reuse their background check for multiple clinical sites saving both time and money.

We look forward to working with all members of the AACN and their students.

Sincerely,

Joseph Finley
Vice President
CertifiedBackground.com

Helping students remain Joint Commission compliant.
